CLARK COUNTY ECONOMIC DEVELOPMENT ACTION PLAN

Clark County identified three primary economic development strategies for the next 5 to 10 years. The strategies are:

1. ~~Prepare identified~~Identify, assess and maintain nodes of growth for economic development;
2. Reduce ~~regulatory~~regulatory barriers and constraints that inhibit economic development;
3. Increase the county's capacity to support and participate in economic development.

Each strategy is supported by action items. In some cases the action items support more than one strategy. Action items that support more than one Strategy are identified with a **.

1. ~~Identify, assess and maintain nodes of growth for economic development~~Prepare specific nodes (such as Focused Public Investment Areas (FPIAs)~~) for enhanced economic development.~~

Clark County may take one or a combination of the following steps to enhance high priority focused public investment areas identified through the Plan update process:

- a) Participate in regional land inventory and assessment (ongoing)
 - b) Foster and convene open communication with regional economic development stakeholders (such as utilities providers, ports, cities, education and workforce development) (ongoing)
 - a)c) Create zoning designations, developer agreements, or other tools that protect designated areas of focused public investmented from fragmented growth or unplanned residential and commercial growth. (-Yr 1-5ongoing)
 - b)d) Evaluate ~~D~~development of a fee-in-lieu program for wetlands and habitat mitigation~~bank.~~ (Yr 1-5)**
 - e) Investigate the use of planned action SEPA, regional general permits and other tools in subarea planning (Yr 1-5)
 - e)f) Develop a process of site certification for prequalification of sites, and a process for encouraging landowners to use the ~~pre-qualification~~ process to address environmental issues. (Yr 5-101-7)**
 - d)g) Review and continuously improve streamlined ~~Develop a 60 to 90-day review~~ process for major economic developments. ~~—(-Yr 1-5ongoing)**~~
 - e)h) Review ~~Look for revisions to~~ the concurrency program to develop approaches that protect trips for industrial and ~~office employment center~~ uses. (Yr 1-5)**
 - f)i) Establish a dedicated administrative discretionary ~~funding source~~ for the county's use in economic development programs and activities. (Yr 1-5)**
2. Reduce regulatory barriers and constraints that inhibit economic development~~Reduce regulatory barriers.~~ The importance of this action is positive differentiation. Like

businesses, Clark County competes in a marketplace and must be just as responsive to market changes.

- a) Review and continuously improve streamlined process for major economic developments. (ongoing)~~Develop a 90-day review process for projects of economic significance. (Yr. 1-5)**~~
 - b) Continue deployment and implementation of ~~Develop~~ e-permitting focused on assisting commercial and industrial growth. (Yr. 1-5)
 - c) Amend the development code~~Establish fast-tracked development processes~~ to assist small businesses and startups in renovating, expanding, and relocating businesses. Assist small businesses and startups in locating local, regional, state and federal resources and programs relevant to their needs (Yr.1-5)^[SJ1]
 - d) Review the concurrency program to develop approaches that protect trips for industrial and employment center uses.~~Look for revisions to the concurrency program that protect trips for industrial and employment center uses. (Yr. 1-5)**~~
 - e) Investigate the use of planned action SEPA, regional general permits and other tools in subarea planning (Yr 1-5)
 - e)f) Develop a process of site certification for prequalification of sites, and a process for encouraging landowners to use the process. (Yr 1-7)**~~Develop a process for prequalification of sites, and a process for encouraging land owners to use the pre-qualification process. (Yr. 5-10)**~~
3. Increase the capacity of county government to support and participate in economic development.
- a) Implement the county's REET-based discretionary loan fund to support economic development initiatives, grow the fund to a meaningful amount, and leverage that resource on a revolving basis. (Yr 1-5)**
 - b) Establish a dedicated administrative funding source for the county's use in economic development programs and activities. (Yr 1-5)**
